Selena: hey!
Selena: guess who is signing a lease on a 1BR off the myrtle JMZ stop.
Selena: like literally a block away.
me: WHO?
me: WHO IS IT?
me: TELL ME
Selena: I DON'T KNOW.
Selena: actually, it's me.
Selena: it's kind of by the scary side
Selena: i think i'm technically BED STUY
Selena: will i still be OK?
me: yeah, I know plenty of people who've lived there
me: it's not scary
me: you actually live right next to a little upper-middle class black enclave
me: with nice brownstone houses
me: you'll see
me: wait
me: wrong area
Selena: yeah um
me: you're actually in an even better place
Selena: i'm by KENTUCKY FRIED CHICKEN
Selena: like catty corner.
me: near the Jews
Selena: no i will bein a rundown on the outside looking building
Selena: but the inside isn't terrible
Selena: it's SMALL
Selena: but it's also nearly halfl what i pay now.
me: very good
me: that takes the pressure off
Selena: god
Selena: a little yes
Selena: though moving is horrid
Selena: how are you?
me: pretty good, made a bunch of progress on the project, wrote a few articles, got cover picked out for book
Selena: excellent
Selena: when are you launching project PM

me: August
me: basically have to wait for the software to be completed
me: until then, I'm just recruiting and running experiments
me: I'll show you, one sec
Selena: if this crashes my work computer i will break your kneecaps
me: no you won't, I am in hiding
me: anyway, this doc is actually being changed up, the lawyer is moving info to new docs for organizational purposes
me: but you can see basically how it works
Selena: um i have NO IDEA what you're yammering on about
me: secret societies, soft power, aggrandizement
Selena: sorry i'll read it better later
Selena: i'm working on some file
